

Philosophy for Homebound/Outreach Services at USCL

The Upper Sandusky Community library is committed to providing Library materials and information to all residents of its service area.

Delivery of library materials to patrons who are unable to visit the library due to illness, disability or lack of transportation is a part of that commitment.

Volunteers provide that delivery service on a two-week schedule. Homebound patrons will receive materials on a regularly scheduled basis.

Homebound service may be discontinued or modified for any reason. It may also be temporary or permanent, depending on the wishes of the patron. No fines will be charged for materials delivered through the Homebound Program.
